Your Legacy

By deciding to remember us in your Will, you'll help us to care for and defend dogs who are experiencing severe cruelty and unimaginable pain. You'll help create a future that's kinder to dogs, where they will be given the respect and care that they deserve.

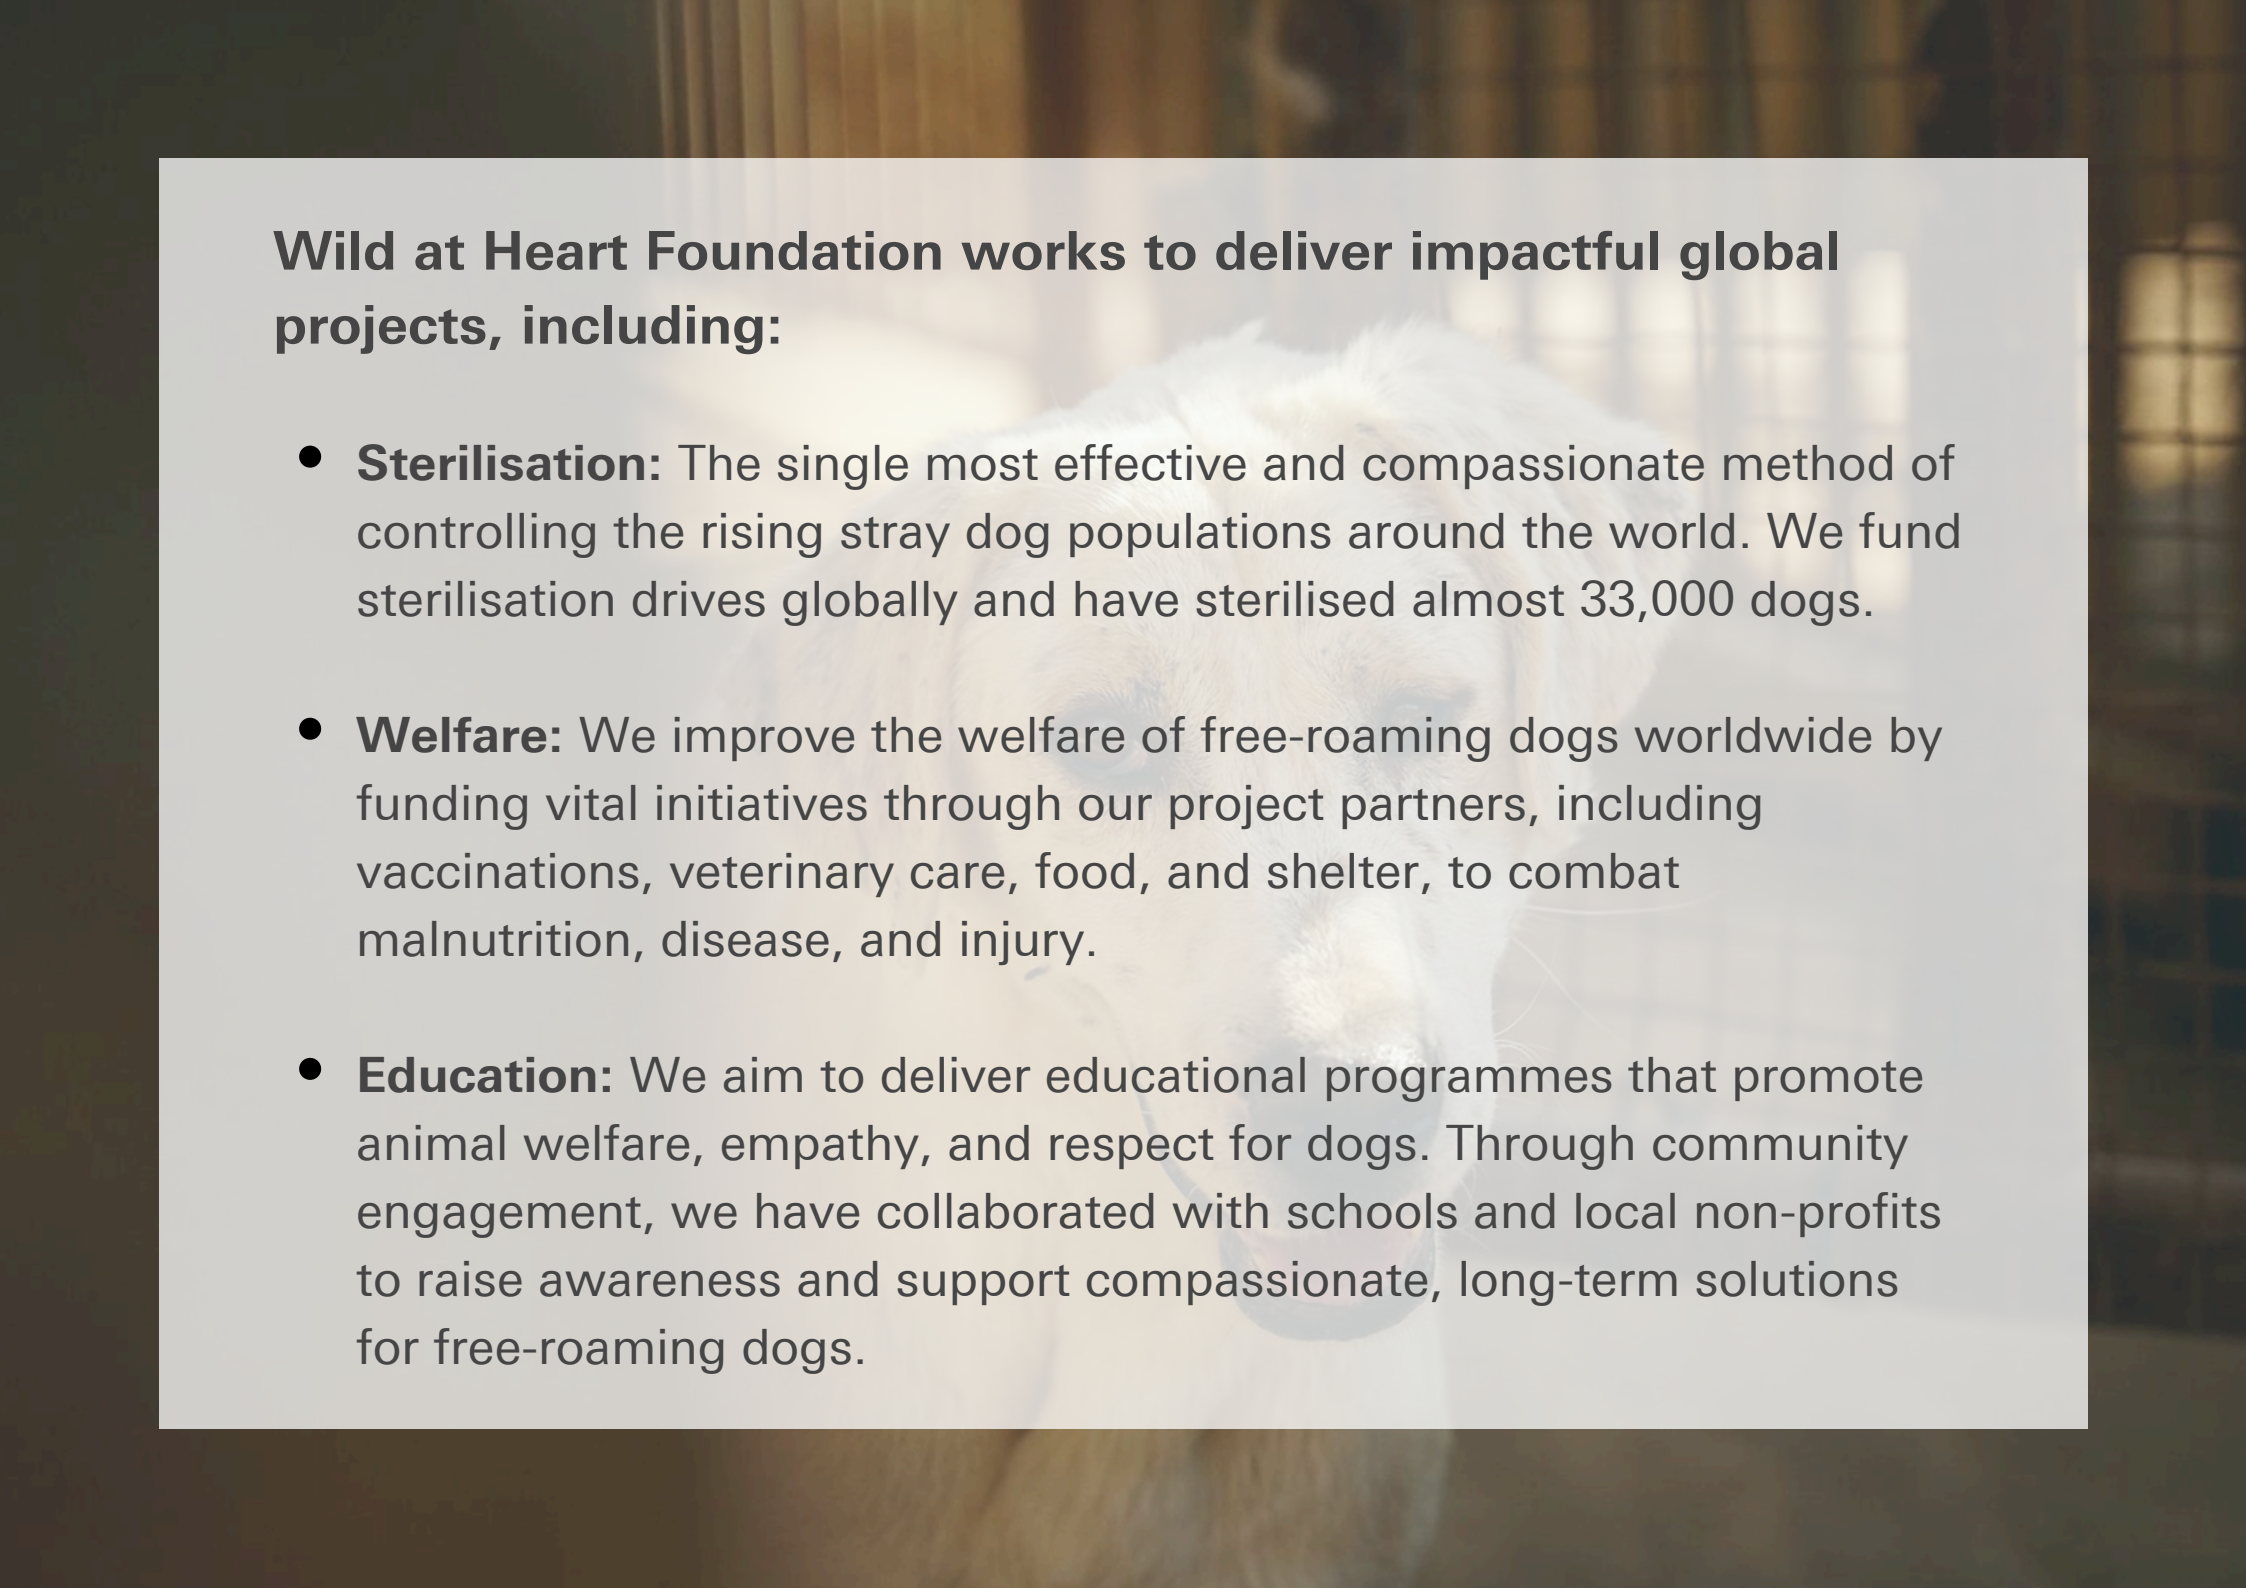

Leaving a legacy of compassion will have a lasting impact on the welfare of stray dogs all over the world. We understand the significance of this decision and are grateful for whatever you may wish to pledge.

About Us

75% of the world's 900 million dogs are free-roaming, living without homes, care, or protection. Founded by Nikki Tibbles in 2015, Wild at Heart Foundation aims to compassionately reduce the number of stray dogs, and break the cycle of suffering before it starts.

Through international partnerships, we deliver sterilisation, education, and welfare programmes to improve lives. We believe every dog deserves a healthy, happy life, free from pain, cruelty, and neglect. With kindness, compassion, and community, we're creating a better world for dogs and people alike.

Wild at Heart Foundation works to deliver impactful global projects, including:

- **Sterilisation:** The single most effective and compassionate method of controlling the rising stray dog populations around the world. We fund sterilisation drives globally and have sterilised almost 33,000 dogs.
- **Welfare:** We improve the welfare of free-roaming dogs worldwide by funding vital initiatives through our project partners, including vaccinations, veterinary care, food, and shelter, to combat malnutrition, disease, and injury.
- **Education:** We aim to deliver educational programmes that promote animal welfare, empathy, and respect for dogs. Through community engagement, we have collaborated with schools and local non-profits to raise awareness and support compassionate, long-term solutions for free-roaming dogs.

Ways to Help

1

Residuary gifts

A share of your estate

This is a percentage of everything you own, minus any debts. It's a good consideration if you want to make a commitment but aren't sure what your future finances may look like.

2

Pecuniary gifts

A set amount

This is when you leave a set sum of money.

3

Specific gifts

If you have something specific you'd like to leave to the charity, you may also choose to bequeath a non-monetary gift, such as a house, property, artwork, a car, or other assets.

4

Reversionary gifts

A postponed gift

This is when you leave a gift to someone for a certain period of time, after which it passes to the charity. For example, you may wish for someone to live in your house for the duration of their lifetime, with the property then going to the charity upon their passing.

Please be aware, we recommend that you seek the advice and support of a legal professional whilst drawing up or making changes to your will.

What next?

If you'd like to arrange for Wild at Heart Foundation to receive a gift in your will, you can discuss the above options with your solicitor or legal professional.
